INDEX OF AUTHORS AND SUBJECTS vol 42 1990

α-1-antitrypsin deficiency
α-1-antitrypsin deficiency and liver diseases in Nigeria 41
YASER K ABDEL-AL, ZEINAT HEJAZI and H.A. MAJEED. Henoch Schönlein purpura in Arab children. Analysis of 52 cases 52
BOLANTE ADAMOLEKUN and HARRY MEINARDI. Problems of drug therapy of epilepsy in developing countries 178
S. ADDAE, F. ADZAKU, S. MOHAMMED and S. ANNOBIL. Sickle cell disease in permanent residents of mountain and low altidues in Saudi Arabia 342
Admissions
Medical admissions to Kamuzu Central Hospital, Lilongwe, Malawi in 1986: comparison with admissions to Queen Elizabeth Central Hospital, Blantyre in 1973 274
ABAYOMI O. AKANJI. Two unusual predisposing factors for diabetic pedal ulceration in Nigerians 83
S.S. AKOOJEE, A.R. SEEBARAN, B.S. AKERMAN, M.C. RAJPUT and M.C. KAMDAR. Hepatocellular carcinoma in South African Indians resident in Natal 265
N. AKSARAY, P. CINAZ, U. COSKUN, M. SERBEST and F. KOKSAL. Cutaneous anthrax 168
ABDULAZIZ A. AL-ABBBAD and HASSAN BELLA. Diarrhoea in the under-fives in a Saudi semiurban community 233
O.S. AL-ATTAS, M.A. LAAJAM, M.S. KHAN and A.Z. AL-DREES. Obesity and major metabolic indices in newly diagnosed Saudi diabetic patients 140
GHASSAB AL-GHASSAB, MOHAMED B. SATTI, ABDULRAHMAN AL-HAMDAN, ABDULAZIZ AL-QUORAIN, YUSUF AL-GINDAN, HUSSEIN AL-FREIHI and HASSAN Y. AL-IDRISSI. Oesophageal diseases diagnosed by upper gastrointestinal endoscopy in the eastern province of Saudi Arabia 151
Altitude
Sickle cell disease in permanent residents of mountain and low altitudes in Saudi Arabia 342
J.R. ALUOCH, K. ROGO and M.B.R. OTIENO. Maternal and foetal outcome of pregnant patients with sickle cell anaemia at Kenyatta national hospital Nairobi. A retrospective study 28
Anthrax
Cutaneous anthrax 168
Appendicitis
The bacteriology of appendicitis and its septic complications in Zaria, Nigeria 13
Arteritis
Takayasu's disease in an Ethiopian 373
Ascariasis
Intestinal ascariasis in the differential diagnosis of peptic ulcer disease 37
M.A. ATOBA and P.U. AGHADIUNO. Primary liver cell carcinoma presenting as extrahepatic biliary obstruction 87

Bacteriology
The bacteriology of appendicitis and its septic complications in Zaria, Nigeria 13
RITA BANERJEE, S. CHAUDHURY and A.K. HATI. Transmission of *Myobacterium leprae* from lepromatous leprosy patients to the skin of mice through intermittent feeding 97
P.L. BHATIA and J.O. OBAFUNWA. Rare infections of nose and paranasal sinuses 289
R.P.S. BHATIA, R. PATEL and B. DUBEY. Senile cataract and glucose-6-phosphate dehydrogenase deficiency in Indians 349
Biliary disease
Human Dicrocoeliasis. Report on 208 cases from Saudi Arabia 1
Primary liver cell carcinoma presenting as extrahepatic biliary obstruction 87
Body girdle
Mondor's disease. Relationship to use of body girdle 162

INDEX OF AUTHORS AND SUBJECTS vol 42 1990

α-1-antitrypsin deficiency
α-1-antitrypsin deficiency and liver diseases in Nigeria 41
YASER K ABDEL-AL, ZEINAT HEJAZI and H.A. MAJEED. Henoch Schönlein purpura in Arab children. Analysis of 52 cases 52
BOLANTE ADAMOLEKUN and HARRY MEINARDI. Problems of drug therapy of epilepsy in developing countries 178

Takayasu's disease in an Ethiopian 373
Ascariasis
Intestinal ascariasis in the differential diagnosis of peptic ulcer disease 37
M.A. ATOBA and P.U. AGHADIUNO. Primary liver cell carcinoma presenting as extrahepatic biliary obstruction 87

Bacteriology
The bacteriology of appendicitis and its septic complications in Zaria, Nigeria 13
RITA BANERJEE, S. CHAUDHURY and A.K. HATI. Transmission of *Myobacterium leprae* from lepromatous leprosy patients to the skin of mice through intermittent feeding 97
P.L. BHATIA and J.O. OBAFUNWA. Rare infections of nose and paranasal sinuses 289
R.P.S. BHATIA, R. PATEL and B. DUBEY. Senile cataract and glucose-6-phosphate dehydrogenase deficiency in Indians 349
Biliary disease
Human Dicrocoeliasis. Report on 208 cases from Saudi Arabia 1
Primary liver cell carcinoma presenting as extrahepatic biliary obstruction 87
Body girdle
Mondor's disease. Relationship to use of body girdle 162

BOOK REVIEWS
Endemic areas of tropical infections (194); A colour atlas of tropical medicine and parasitology (194); Ascariasis and its prevention and control (195); Strongyloidiasis: a major roundworm infection of man (195); Antibiotics in the tropics (196).
Burkitt's lymphoma
Burkitt's lymphoma in a 45-year-old Nigerian woman 294
Burkitt's lymphoma in Ethiopian children 255

Cancer
Cancer occurrence in Vanuatu in the South Pacific, 1980-86 157
Carcinoma of the bronchus in tobacco farm workers. An unrecognised high risk group 261
Hepatocellular carcinoma in South African Indians resident in Natal 265
Parasitic associations with malignant neoplasms 301
Primary liver cell carcinoma presenting as extrahepatic biliary obstruction 87
Cataract
Senile cataract and glucose-6-phosphate dehydrogenase deficiency in Indians 349
Central nervous system
Coenurosis of the central nervous system in a Nigerian 280
L. CHUKWUMA CHIEDOZI. Mondor's disease. Relationship to use of body girdle 162
JOHN O. CHIKWEM, IDRIS MOHAMMED, H.G. BWALA and T. OYEBODE OLA. Human immunodeficiency virus (HIV) infection in patients attending a sexually transmitted diseases clinic in Borno State of Nigeria 17
Children
Anthropometric assessment of nutritional status of Nigerian children 337
Could potash facilitate the acception of cereal-based oral rehydration solution in the northern part of Nigeria? (*Letter to the editor*) 103
Cryptosporidium gastroenteritis in immunocompetent children from Kuwait 113
Diarrhoea in the under-fives in a Saudi semiurban community 233
Henoch Schönlein purpura in Arab children. Analysis of 52 cases 52
Relation between the intestinal flora and diaper dermatitis in infancy 238
Sorghum-based oral rehydration solution in the treatment of acute diarrhoea 63
The risk of neonatal septicaemia after prolonged rupture of the membranes in Nigeria 217
Clostridium perfringens
Clostridium perfringens type C in bloody and watery diarrhea in Bangladesh 123
Cobalamin
Serum cobalamin concentration in tuberculosis. A study in the Guinea savanna of Nigeria 146
Coenurosis
Coenurosis of the central nervous system in a Nigerian 280
YACOOB COOVADIA, ANOOP SEEBARAN and RATHILAL BHANA. Septicaemia caused by an imported strain of multiply antibiotic resistant *Salmonella typhi* successfully treated with ciprofloxacin 370
Cryptococcus neoformans
Is cryptococcal meningoencephalitis in the tropics a distinct entity? A retrospective study from Thailand 133
Cryptosporidium
Cryptosporidium gastroenteritis in immunocompetent children from Kuwait 113
Cyanide
Tropical ataxic neuropathy in Liberians 92

EPHREM DANIEL. Burkitt's lymphoma in Ethiopian children 255
AZHAR S. DAOUD, MOHAMMED ZAKI, RICHARD N.H. PUGH, GALIA AL-MUTAIRI, FAIZA AL-ALI and QUSAY EL-SALEH. *Cryptosporidium* gastroenteritis in immunocompetent children from Kuwait 113

Delivery
Fatal maternal tetanus following premature rupture of membranes and retained dead fetus 166
Dermatitis
Relation between the intestinal flora and diaper dermatitis in infancy 238
Diabetes mellitus
Insulin-dependent diabetes mellitus in homozygous sickle-cell anaemia 172
Obesity and major metabolic indices in newly diagnosed Saudi diabetic patients 140
Two unusual predisposing factors for diabetic pedal ulceration in Nigerians 83
Diarrhea
Clostridium perfringens type C in bloody and watery diarrhea in Bangladesh 123
Diarrhoea
Diarrhoea in the under-fives in a Saudi semiurban community 233
Famine in Southern Ethiopia 1985-1986. Malnutrition, diarrhoea and death 365
Sorghum-based oral rehydration solution in the treatment of acute diarrhoea 63
Dicrocoeliasis
Human Dicrocoeliasis. Report on 208 cases from Saudi Arabia 1
Dracontiasis
Socio-cultural problems in the execution of a guinea worm control programme. A case report 377
Two unusual predisposing factors for diabetic pedal ulceration in Nigerians 83
Drugs
Problems of drug therapy of epilepsy in developing countries 178

ROBBERT J. EGGER, ESTHER H. HOFHUIS, MARTIN W. BLOEM, KUSUMA CHUSILP, MICHEL WEDEL, CHALOR INTARAKHAO, SASTRI SAOWAKONTHA and WILL H.P. SCHREURS. Association between intestinal parasitoses and nutritional status in 3-8-year-old children in northeast Thailand 312
MOHSEN A.F. EL-HAZMI, ABDUL RAHMAN AL-SWAILEM, HASAN M. BAHAKIM, FALEH Z. AL-FALEH and ARJUMAND S. WARSY. Effect of alpha thalassaemia, G-6-PD deficiency and Hb F on the nature of sickle cell anaemia in south-western Saudi Arabia 241
Endoscopy
Oesophageal diseases diagnosed by upper gastrointestinal endoscopy in the eastern province of Saudi Arabia 151
Epilepsy
Problems of drug therapy of epilepsy in developing countries 178
Psychological disturbance in African Tanzanian epileptics 359
JAMES EPOKE, FRANCIS EKO and CLEMENT IBI MBOTO. Vaccinated versus unvaccinated children: how they fare in first five years of life 182
Ergotism
Histological examination of blood vessels in peripheral gangrene among patients with sporadic outbreak of ergotism 58
E. ESPEJO-ARENAS, B. FONT-CREUS, M.D. ALEGRE-SEGURA, F. SEGURA-PORTA and F. BELLA-CUETO. Seroepidemiological survey of Mediterranean spotted fever in an endemic area ('Vallés Occidental', Barcelona, Spain) 212
Ex-patriates
Intestinal helminthiasis in ex-patriates returning to Britain from the tropics. A controlled study 119
E.N.U. EZEDINACHI and G. CHUKS EJEZIE. A retrospective study of malaria and malnutrition in the University of Calabar Teaching Hospital, Calabar, Nigeria 207

Famine
Famine in Southern Ethiopia 1985-1986. Malnutrition, diarrhoea and death 365
OLUFUNSHO O. FAMUYIWA and ANDREW F. BELLA. Thyrotoxicosis in Nigeria. Analysis of a five year experience 248
Z. FARID, N. MANSOUR, M. KAMAL, K. KAMAL, Y. SAFWAT and J.N. WOODY. The treatment of acute *Fasciola hepatica* infection in children 95

Z. FARID, M. KAMAL, Y. SAFWAT, Z. SALAMA and M. KILPATRICK. Tuberculous lymphadenitis in Cairo, Egypt 385

Fasciola hepatica

The treatment of acute *Fasciola hepatica* infection in children 95

Foetal haemoglobin

Effect of alpha thalassaemia, G-6-PD deficiency and Hb F on the nature of sickle cell anaemia in south-western Saudi Arabia 241

Foley catheter

Foley catheter, a simple device for removal of oesophageal foreign bodies 185

LI CHIEN FOO. Hookworm infection and protein-energy malnutrition: transverse evidence from two Malaysian ecological groups 8

Foreign bodies

Foley catheter, a simple device for removal of oesophageal foreign bodies 185

EMILE FOX, NIEL T. CONSTANTINE, GUY AUREGAN, NEMAT M. EL-GHORAB, CHAKIB-SAAD and E.A. ABBATTE. Are tuberculosis wards a risk factor for HIV in Africa? 286

R.J. FRYATT, J. TENG, A.D. HARRIES, L. SIORVANES and A.P. HALL. Intestinal helminthiasis in ex-patriates returning to Britain from the tropics. A controlled study 119

Fungal infection

Rare infections of nose and paranasal sinuses 289

The sensitivity of dermatophytes to griseofulvin 100

G-6-PD deficiency

Effect of alpha thalassaemia, G-6-PD deficiency and Hb F on the nature of sickle cell anaemia in south-western Saudi Arabia 241

Senile cataract and glucose-6-phosphate dehydrogenase deficiency in Indians 349

Gangrene

Histological examination of blood vessels in peripheral gangrene among patients with sporadic outbreak of ergotism 58

Gastrointestinal hemorrhage

Mechanism of upper gastrointestinal hemorrhage in Mediterranean spotted fever 78

H.B.P.E. GERNAAT, M.A.W.H. VERHAGEN and S.M. WOODS. Chloroquine-resistant *Plasmodium falciparum* malaria at Nchelenge, northeastern Zambia. Follow-up on 515 hospital patients 324

K.L. GOH and C.M. CHANG, Pharyngeal tuberculosis 75

AYŞE SEVIM GÖKALP, CEMAL ALDIRMAZ, AYNUR OĞUZ, ASIM GÜLTEKIN and M. ZAHIR BAKICI. Relation between the intestinal flora and diaper dermatitis in infancy 238

Guinea worm

Socio-cultural problems in the execution of a guinea worm control programme. A case report 377

Haematuria

Haematuria and sickle cell diasease. A report of 12 cases and review of the literature 22

Haemophilia

Haemophilia in Zimbabwe 32

A.D. HAMED and O. AKINOLA. Intestinal ascariasis in the differential diagnosis of peptic ulcer disease 37

ANTHONY D. HARRIES, RICHARD SPEARE and JEACK J. WIRIMA. Medical admissions to Kamuzu Central Hospital, Lilongwe, Malawi in 1986: comparison with admissions to Queen Elizabeth Central Hospital, Blantyre in 1973 274

Helminthiasis

Intestinal helminthiasis in ex-patriates returning to Britain from the tropics. A controlled study 119

Hepatitis B

Hepatitis B virus infection in patients with chronic liver disease and healthy controls in North-Sulawesi, Indonesia 221

RICHARD M. HODES. Takayasu's disease in an Ethiopian 373
SVEN HOLMBERG and ERIK NORDBERG. Surgical rates in Africa. Variations and their possible explanations 352
Hookworm
Hookworm infection and protein-energy malnutrition: transverse evidence from two Malaysian ecological groups 8
Hospital
Medical admissions to Kamuzu Central Hospital, Lilongwe, Malawi in 1986: comparison with admissions to Queen Elizabeth Central Hospital, Blantyre in 1973 274
Human immunodeficiency virus
Are tuberculosis wards a risk factor for HIV in Africa? 286
HIV seropositivity and tuberculosis in a large general hospital in Malawi 128
Human immunodeficiency virus (HIV) infection in patients attending a sexually transmitted diseases clinic in Borno State of Nigeria 17

E.O. IBIA and A.A. ASINDI. Measles in Nigerian children in Calabar during the era of expanded programme on immunization 226
Immunization
Measles in Nigerian children in Calabar during the era of expanded programme on immunization 226
Vaccinated versus unvaccinated children: how they fare in first five years of life 182

SANTALAL JAIN, MOHAMMED A. EL MANGOUSH, KHALID EL-BOURI and MAHFOUZ O. MAHFOUZ. Kala azar in an adult Libyan and review of visceral leishmaniasis in Libya 283
M.S. JENYO. Massive periosteal elevation. An unusual presentation in acute haematogenous osteomyelitis of the long bones in children 174
PETER ANTHONY SPENCER JOHNSTONE. Parasitic associations with malignant neoplasms 301

Kala azar
Kala azar in an adult Libyan and review of visceral leishmaniasis in Libya 283
Visceral leishmaniasis in Sudan. Clinical features 107
MAURICE KING. Public health and the ethics of sustainability (*Swellengrebel lecture*) 197
HUXLEY H.M. KNOX-MACAULAY. Serum cobalamin concentration in tuberculosis. A study in the Guinea savanna of Nigeria 146
H.E.J. KOOL, D. BLOEMKOLK, P.A. REEVE and S.A. DANNER. HIV seropositivity and tuberculosis in a large general hospital in Malawi 128
T. KUSEMAMARIWO and P. NEILL. Carcinoma of the bronchus in tobacco farm workers. An unrecognised high risk group 261

O.O. LAWAL, O.S. OJO and M.A. DUROSINMI. Burkitt's lymphoma in a 45-year-old Nigerian woman 294
Leishmaniasis
Cutaneous leishmaniasis in Sri Lanka; an imported disease linked to the Middle East and African employment boom 72
Kala azar in an adult Libyan and review of visceral leishmaniasis in Libya 283
Visceral leishmaniasis in Sudan. Clinical features 107
Leprosy
Transmission of *Mycobacterium leprae* from lepromatous leprosy patients to the skin of mice through intermittent feeding 97
BERNT LINDTJØRN. Famine in Southern Ethiopia 1985-1986. Malnutrition, diarrhoea and death 365
Liposarcoma
Liposarcoma of the cervix 90

Liver
α-1-antitrypsin deficiency and liver diseases in Nigeria 41
Carcinoma of liver in Papua New Guinea: an updated review of incidence 47
Hepatitis B virus infection in patients with chronic liver disease and healthy controls in North-Sulawesi, Indonesia 221
Hepatocellular carcinoma in South African Indians resident in Natal 265
Primary liver cell carcinoma presenting as extrahepatic biliary obstruction 87
F.P.L. VAN LOON, S. VAN SCHAIK, A.K. BANIK, T. AHMED, A. ZAMAN and B.A. KAY. *Clostridium perfringens* type C in bloody and watery diarrhea in Bangladesh 123
Lung
Carcinoma of the bronchus in tobacco farm workers. An unrecognised high risk group 261
Lymphadenitis
Tuberculous lymphadenitis in Cairo, Egypt 385

Malaria
A retrospective study of malaria and malnutrition in the University of Calabar Teaching Hospital, Calabar, Nigeria 207
Burkitt's lymphoma in Ethiopian children 255
Chloroquine-resistant *Plasmodium falciparum* malaria at Nchelenge, northeastern Zambia. Follow-up on 515 hospital patients 324
Malnutrition
A retrospective study of malaria and malnutrition in the University of Calabar Teaching Hospital, Calabar, Nigeria 207
Famine in Southern Ethiopia 1985-1986. Malnutrition, diarrhoea and death 365
Hookworm infection and protein-energy malnutrition: transverse evidence from two Malaysian ecological groups 8
A. MALOMO. J. OGUNNIYI, A. OGUNNIYI, E.E.U. AKANG and M.T. SHOKUNBI. Coenurosis of the central nervous system in a Nigerian 280
WILLIAM B.P. MATUJA. Psychological disturbance in African Tanzanian epileptics 359
Measles
Measles in Nigerian children in Calabar during the era of expanded programme on immunization 226
Meningitis
Is cryptococcal meningoencephalitis in the tropics a distinct entity? A retrospective study from Thailand 133
Migration
Cutaneous leishmaniasis in Sri Lanka: an imported disease linked to the Middle East and African employment boom 72
ABDEL RAHMAN EL-SHIEKH MOHAMED and VICTOR MUMMERY. Human Dicrocoeliasis. Report on 208 cases from Saudi Arabia 1
Mondor's disease
Mondor's disease. Relationship to use of body girdle 162
J.M. MUKIIBI, B. PAUL and S.E. LLOYD. Haemophilia in Zimbabwe 32
D.P. MURTHY and G.B. BUKENYA. Carcinoma of liver in Papua New Guinea: an updated review of incidence 47
D.L. MWANIKI. Evaluation of force requirements during use of recycled plastic syringes 380
Mycobacterium leprae
Transmission of *Mycobacterium leprae* from lepromatous leprosy patients to the skin of mice through intermittent feeding 97

T. DE S. NAOTUNNE, S. RAJAKULENDRAN, W. ABEYWICKREME, C. DE S. KULASIRI, J. PERERA, U.N. PREMARATNE, D. ATTYGALLE and K.N. MENDIS. Cutaneous leishmaniasis in Sri Lanka: an imported disease linked to the Middle East and African employment boom 72

Neuropathy
Tropical ataxic neuropathy in Liberians 92
J. NJOH. Tropical ataxic neuropathy in Liberians 92
Nomogram
Surface area in healthy Nigerian children and adults. A height formula compared with Dubois and other formulae 269
Nose
Rare infections of nose and paranasal sinuses 289
Nutrition
Anthropometric assessment of nutritional status of Nigerian children 337
Association between intestinal parasitoses and nutritional status in 3-8-year-old children in northeast Thailand 312

J.O. OBAFUNWA and V.E. UGURU. Liposarcoma of the cervix 90
Obesity
Obesity and major metabolic indices in newly diagnosed Saudi diabetic patients 140
OLUJIMI ODETOYINBO. Foley catheter, a simple device for removal of oesophageal foreign bodies 185
Oesophageal disease
Oesophageal diseases diagnosed by upper gastrointestinal endoscopy in the eastern province of Saudi Arabia 151
TITUS ADEBAYO (BINUYO) OGUNNIYI and BABATUNDE OLUKAYODE AMOLE. Socio-cultural problems in the execution of a guinea worm control programme. A case report 377
J.O. OGUNRANTI. Surface area in healthy Nigerian children and adults. A height formula compared with Dubois and other formulae 269
F.E. OKONOFUA, U.I. ESEN and J.K. BAMGBOSE. Fatal maternal tetanus following premature rupture of membranes and retained dead fetus 166
IHEANYICHUKWU O. OKORO. The bacteriology of appendicitis and its septic complications in Zaria, Nigeria 13
S.O. OLUSI. α-1-antitrypsin deficiency and liver diseases in Nigeria 41
Onchocerca volvulus
Possible transplacental transmission of *Onchocerca volvulus* 69
Oral rehydration
Could potash facilitate the acception of cereal-based oral rehydration solution in the northern part of Nigeria? (*Letter to the editor*) 103
Sorghum-based oral rehydration solution in the treatment of acute diarrhoea 63
D.N. OSEGBE. Haematuria and sickle cell disease. A report of 12 cases and review of the literature 22
Osteomyelitis
Massive periosteal elevation. An unusual presentation in acute haematogenous osteomyelitis of the long bones in children 174
J.A. OWA, I.O. OLUSANYA, V.C. ESIMAI and O. OLUSANYA. The risk of neonatal septicaemia after prolonged rupture of the membranes in Nigeria 217

NADIR PAKSOY, BERNARD MONTAVILLE and S.W. McCARTHY. Cancer occurrence in Vanuatu in the South Pacific, 1980-86 157
Parasitology
Meeting Netherlands Society for Parasitology, November 17, 1989 188
Parasitosis
Association between intestinal parasitoses and nutritional status in 3-8-year-old children in northeast Thailand 312
Parasitic associations with malignant neoplasms 301
R.A.A. PELLEBOER, A. FELIUS, B.S. GOJE and H.H. VAN GELDEREN. Sorghum-based oral rehydration solution in the treatment of acute diarrhoea 63

R.A.A. PELLEBOER, A. FELIUS, B.S. GOJE and H.H. VAN GELDEREN. Could potash facilitate the acception of cereal-based oral rehydration solution in the northern part of Nigeria? (*Letter to the editor*) 103

Peptic ulcer

Intestinal ascariasis in the differential diagnosis of peptic ulcer disease 37

Perforation

Typhoid perforations of the ileum. A review of 59 cases, seen at Agogo Hospital, Ghana, between 1982 and 1987 330

Potash

Could potash facilitate the acception of cereal-based oral rehydration solution in the northern part of Nigeria? (*Letter to the editor*) 103

Pregnancy

Maternal and foetal outcome of pregnant patients with sickle cell anaemia at Kenyatta national hospital Nairobi. A retrospective study 28

Possible transplacental transmission of *Onchocerca volvulus* 69

Psychological disturbance

Psychological disturbance in African Tanzanian epileptics 359

Public health

Public health and the ethics of sustainability (*Swellengrebel lecture*) 197

Purpura

Henoch Schönlein purpura in Arab children. Analysis of 52 cases 52

Recycling

Evaluation of force requirements during use of recycled plastic syringes 380

H.L REID, M.D. ENE, D.P. PHOTIADES and A.A. FAMODU. Insulin-dependent diabetes mellitus in homozygous sickle-cell anaemia 172

Resistance

Chloroquine-resistant *Plasmodium falciparum* malaria at Nchelenge, northeastern Zambia. Follow-up on 515 hospital patients 324

Septicaemia caused by an imported strain of multiple antibiotic resistant *Salmonella typhi* successfully treated with ciprofloxacin 370

Rickettsiosis

Mechanism of upper gastrointestinal hemorrhage in Mediterranean spotted fever 78

Seroepidemiological survey of Mediterranean spotted fever in an endemic area ('Vallés Occidental' Barcelona, Spain) 212

RICARDO RUIZ-BELTRÁN, J. IGNAÇIO HERRERO-HERRERO, DAVID H. WALKER and A. CUÑADO-RODRÍGUEZ. Mechanism of upper gastrointestinal hemorrhage in Mediterranean spotted fever 78

E. SCHMUTZHARD, P. BOONGIRD, F. GERSTENBRAND, S. JITPIMOLMARD, S. PONGLIKITMONGKOL and A. VEJJAJIVA. Is cryptococcal meningoencephalitis in the tropics a distinct entity? A retrospective study from Thailand 133

Septicaemia

The risk of neonatal septicaemia after prolonged rupture of the membranes in Nigera 217

Sexually transmitted disease

Human immunodeficiency virus (HIV) infection in patients attending a sexually transmitted diseases clinic in Borno Sate of Nigeria 17

Sickle cell disease

Effect of alpha thalassaemia, G-6-PD deficiency and Hb F on the nature of sickle cell anaemia in south-western Saudi Arabia 241

Haematuria and sickle cell disease. A report of 12 cases and review of the literature 22

Insulin-dependent diabetes mellitus in homozygous sickle-cell anaemia 172

Maternal and foetal outcome of pregnant patients with sickle cell anaemia at Kenyatta national hospital Nairobi. A retrospective study 28

Sickle cell disease in permanent residents of mountain and low altitudes in Saudi Arabia 342
MOHAMMED SIDDIG, HASHIM GHALIB, DAVID C. SHILLINGTON, ESKILD A. PETERSEN and SAMANI KHIDIR. Visceral leishmaniasis in Sudan. Clinical features 107
MUKOMA F. SIMPANYA. The sensitivity of dermatophytes to griseofulvin 100
Skin disease
Cutaneous anthrax 168
The sensitivity of dermatophytes to griseofulvin 100
Society
Meeting Netherlands Society for Parasitology, November 17, 1989 188
Meeting Netherlands Society of Tropical Medicine, Rotterdam, March 30, 1990 and Leiden, May 30, 1990 389
Surface area
Surface area in healthy Nigerian children and adults. A height formula compared with Dubois and other formulae 269
Surgery
Surgical rates in Africa. Variations and their possible explanations 352
Survey
Seroepidemiological survey of Mediterranean spotted fever in an endemic area ('Vallés Occidental', Barcelona, Spain) 212
Sustainability
Public health and the ethics of sustainability (*Swellengrebel lecture*) 197
Syringes
Evaluation of force requirements during use of recycled plastic syringes 380

Takayasu's disease
Takayasu's disease in an Ethiopian 373
G. TAUBERT and TESHALE SEBOXA. Histological examination of blood vessels in peripheral gangrene among patients with sporadic outbreak of ergotism 58
Tetanus
Fatal maternal tetanus following premature rupture of membranes and retained dead fetus 166
Thalassaemia
Effect of alpha thalassaemia, G-6-PD deficiency and Hb F on the nature of sickle cell anaemia in south-western Saudi Arabia 241
Thyroid gland
Cancer occurrence in Vanuatu in the South Pacific, 1980-86 157
Thyrotoxicosis in Nigeria. Analysis of a five year experience 248
Tobacco
Carcinoma of the bronchus in tobacco farm workers. An unrecognised high risk group 261
ABEL L. TORIOLA. Anthropometric assessment of nutritional status of Nigerian children 337
Tropical medicine
Meeting Netherlands Society of Tropical Medicine, Rotterdam, March 30, 1990 and May 30, 1990 389
Tuberculosis
Are tuberculosis wards a risk factor for HIV in Africa? 286
HIV seropositivity and tuberculosis in a large general hospital in Malawi 128
Pharyngeal tuberculosis 75
Serum cobalamin concentration in tuberculosis. A study in the Guinea savanna of Nigeria 146
Tuberculous lymphadenitis in Cairo, Egypt 385
Typhoid fever
Septicaemia caused by an imported strain of multiply antibiotic resistant *Salmonella typhi* successfully treated with ciprofloxacin 370
Typhoid perforations of the ileum. A review of 59 cases, seen at Agogo Hospital, Ghana, between 1982 and 1987 330

G.O. UFOMADU, Y. SATO and H. TAKAHASHI. Possible transplacental transmission of *Onchocerca volvulus* 69

Uterus
Liposarcoma of the cervix 90

TJIP S. VAN DER WERF and FIONA S. CAMERON. Typhoid perforations of the ileum. A review of 59 cases, seen at Agogo Hospital, Ghana, between 1982 and 1987 330
